他薦のみとなっていますが、候補者が指導者や周辺の方に推薦を依頼することは推奨されています。ぜひ、日本からも多くの応募がありますよう、お願い申し上げます。

## IUPAP C6 2019 YOUNG SCIENTIST PRIZE IN BIOLOGICAL PHYSICS

The IUPAP C6 Young Scientist Prize recognizes exceptional achievements of scientists in the field of Biological Physics at a relatively junior stage of their career. The recipient must be no more than eight years post PhD (excluding career interruptions) and in the early stages of their career. The recipient is expected to have demonstrated significant scientific achievement and displays exceptional promise for future achievement in Biological Physics. Two winners will be considered for the prize each year (one prize per year 2019), which will be collectively presented at the 10<sup>th</sup> international conference on biological physics, to be held in Madrid, Spain July 20-24, 2019.

The Prize: The individual prize will consist of 1,000 EUR award money, a medal and a certificate. One prize cannot be shared between several candidates.

Prize Selection: The prize selection committee will consist of commission members.
